Federal Highway Happy Canyon MSE Walls & Road Repair.....\$3,824,393					
Federal Highway/NPS Arches Road Repair & Stabilization.....\$350,300					

## DIFFERENTIATORS

Over 26 years in the construction industry, we are a heavy civil construction company that proudly self-performs 85% of the labor. We own and maintain an extensive fleet of equipment both on and off road. This allows us to mobilize quickly and provide cost benefits to our customers. In 2024 we expanded operations by purchasing a Concrete Batch Plant, providing high quality concrete throughout Modoc County, CA as well as providing various precast products.

### Lassen NPS Replace Failing Culverts \$642,715

Project included historic rock wall preservation.

Rock Crushing-Used Native for Backfill (Green Footprint)

Recycled Native to Reduce Import (Green Footprint)

C-19 Culvert Before

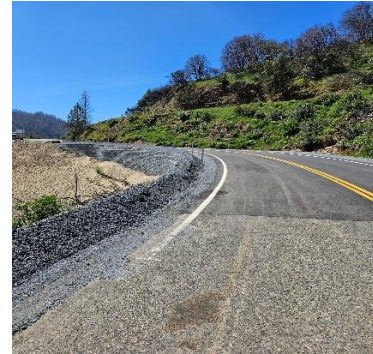

C-19 After
